**NOTES:**

1. In view of the massive outbreak of the COVID-19 pandemic, social distancing is a norm to be followed and pursuant to the Circular No. 14/2020 dated April 08, 2020, Circular No.17/2020 dated April 13, 2020 issued by the Ministry of Corporate Affairs followed by Circular No. 20/2020 dated May 05, 2020 and Circular No. 02/2021 dated January 13, 2021 and all other relevant circulars issued from time to time, physical attendance of the Members to the EGM/AGM venue is not required and general meeting be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the 29th Annual General Meeting (AGM) through VC/OAVM.
2. Pursuant to the Circular No. 14/2020 dated April 08, 2020, issued by the Ministry of Corporate Affairs, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, the Body Corporates are entitled to appoint authorised representatives to attend the AGM through VC/OAVM and participate thereat and cast their votes through e-voting.
3. The Members can join the AGM in the VC/OAVM mode 30 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.

5. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 (as amended), and the Circulars issued by the Ministry of Corporate Affairs dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-Voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-Voting system as well as venue voting on the date of the AGM will be provided by NSDL.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at [www.aagamcapital.com](http://www.aagamcapital.com). The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited [www.bseindia.com](http://www.bseindia.com) and the AGM Notice is also available on the website of NSDL (agency for providing the Remote e-Voting facility) i.e. [www.evoting.nsdl.com](http://www.evoting.nsdl.com).
7. AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 08, 2020 and MCA Circular No. 17/2020 dated April 13, 2020, MCA Circular No. 20/2020 dated May 05, 2020 and MCA Circular No. 2/2021 dated January 13, 2021.
8. In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM through e-voting.
9. Register of Members and Transfer Books of the Company will remain closed from 24th September, 2021 to 30th September, 2021 (both dates inclusive).
10. As per Regulation 40 of SEBI Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from April 1, 2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company or Company's Registrar and Transfer Agent Bigshare Services Private Limited for assistance in this regard.
11. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are therefore, requested to submit their PAN to the Depository Participant with whom they are maintaining their demat account. Members holding shares in physical form can submit their PAN details to the Registrar and Transfer Agent Bigshare Services Private Limited.
12. As per the provisions of Section 72 of the Companies Act, 2013 (the "Act") the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. Members are requested to submit the said details to their Depository Participants.

("DPs") in case the shares are held by them in electronic form and to BigShare Services Private Limited in case the shares are held by them in physical form.

13. Members are requested to intimate changes, if any, pertaining to their name, postal address, email address, telephone/ mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, etc., to their DPs in case the shares are held by them in electronic form and to the Company's Registrars and Transfer Agents, BigShare Services Private Limited for shares held in physical form, with relevant documents that may be required.
14. In view of the COVID-19 pandemic and resultant difficulties involved in dispatch of physical copies of the Annual Report, the MCA, vide its Circular dated May 5, 2020 has dispensed with the requirement of dispatch of physical copies of the Annual Report. Accordingly, the Notice of the AGM along with the Annual Report 2020-21 is being sent only by electronic mode to those Members whose email addresses are registered with the Company/Depositories. Members may note that the Notice and Annual Report 2020-21 will also be available on the Company's website [www.aagamcapital.com](http://www.aagamcapital.com)., websites of the Stock Exchanges i.e. BSE Limited at [www.bseindia.com](http://www.bseindia.com) and on the website of NSDL <https://www.evoting.nsdl.com>.
15. Members at the 26th AGM of the Company, held on 28th September, 2018 had approved the appointment of M/s Motilal & Associates LLP Chartered Accountant (Firm Regn. No. 106584W) as statutory auditors of the Company, to hold office from the conclusion of 26th AGM till the conclusion of 31st AGM, subject to ratification of shareholders.

The Ministry of Corporate Affairs vide its Notification dated May 7, 2018 has dispensed with the requirement of ratification of Auditors appointment by shareholders every year. Hence, the resolution relating to ratification of Auditors' appointment is not included in the Notice to the AGM.

## THE INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING AND JOINING GENERAL MEETING ARE AS UNDER:-

- i. The remote e-voting period begins on 27th September, 2021 at 10:00 A.M. and ends on 29th, September, 2021 at 05:00 P.M. **MANAGEMENT DISCUSSION AND ANALYSIS****INDUSTRY OVERVIEW**

Non- Banking Financial Companies (NBFCs) have played an important role in the Indian Financial System by complementing and competing with banks and by bringing in efficiency and diversity into financial intermediation. NBFCs have evolved considerably in terms of operations, heterogeneity, asset quality and profitability and regulatory architecture.

NBFCs have carved niche business areas for themselves within the financial sector space with innovative products and leveraging the FinTech ecosystem. Owing to a variety of constraints faced by the banking system in intensifying its lending activities the role of NBFCs has become even more significant now.

NBFCs are playing an increasingly important role in India's financial system. As NBFCs are subjected to enhanced levels of regulation by the Reserve Bank of India, there is a need to provide greater parity in their tax treatment vis-à-vis scheduled banks. The proposals laid down in the Union Budget 2019-20 and the underlying tone of reform, perform and transform would succeed as the Indian economy would step out from the sluggishness witnessed in the past few months. The Union Budget focuses on bringing about several transformational economic reforms. Reiterating the ten points of the 'Vision for the Decade' as envisaged in the Interim Budget, the tax reforms announced were primarily aimed at stimulating growth and promoting digitization and transparency, while simultaneously simplifying tax administration. As emphasized in the Budget Speech by Mrs. Sitharaman, "NBFCs are playing an extremely important role in sustaining consumption demand as well as capital formation in the small and medium industrial segment. NBFCs that are fundamentally sound should continue to get funding from banks and mutual funds without being unduly risk-averse.

**OUTLOOK**

The Government has taken a series of measures to generate demand and ease the liquidity by ensuring public sector banks lend further to NBFCs, introducing partial credit guarantee scheme, organizing loan mela etc. Outlook for 2020 right now is cautious from an industry point of view, the slowdown that has begun can't be turned around that easily for which a booster shot is required. We do expect demand to pick up as we expect some favorable actions by the Finance Minister in the next budget. These could include a change in personal tax rules in order to put more money in the hands of the common man for a consumption-led revival of the economy, measures to prop up the health and lending abilities of NBFCs, policies to fast track digital adoption etc .

Structurally, the government can make it easier for MSMEs to survive the environment by providing more subsidies to some sectors and build more platforms for small-scale industries to expand. Government should consider relaxing and easing some compliances, for e.g. reforms on taxes or entry requirements for DFIs.

**INTERNAL CONTROL SYSTEMS**

The internal financial controls of the Company are commensurate with its size, scale and complexity of operations. The company has policies and procedures which inter alia ensure integrity in conducting business, timely preparation of reliable information, accuracy and completeness in maintaining accounting records and prevention and detection of frauds and errors. The Audit Committee actively reviews the adequacy and effectiveness of the internal financial control systems and suggests improvements if any to strengthen the same.

**HUMAN RESOURCE**

Your company believes that people are key assets of the organisation and constantly focusing on attracting, retaining the right talent thereby providing the best opportunities to employees to realise their potential.

**FINANCIAL PERFORMANCE**

Company face loss of amount Rs. 4,04,825 for the period ended 31st March, 2021 as against profit of Rs. 4,84,195 during previous year. The total income of the company decreased from Rs. 15, 43,523 to Rs.6, 20,984. The EPS of the company for the year under review is Rs. (0.08). Your directors expect and will make more efforts to improve the performance of the company during the current year as compared to previous year.

**CAUTIONARY STATEMENT**

Management discussion and analysis report contains statements which are forward looking based on assumptions. Actual results may differ from those expressed or implied due to risk and uncertainties. Several factors as listed in this report could make significant difference to the company's operations. **INDEPENDENT AUDITOR'S REPORT**

To the Members of  
AAGAM CAPITAL LIMITED  
Report on the Audit of the Financial Statements

**Opinion**

We have audited the financial statements of AAGAM CAPITAL LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the statement of Profit and Loss, statement of changes in equity, statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and profit, changes in equity and its cash flows for the year ended on that date.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no Key audit matters to communicate in this report.

**Responsibilities of Management and Those Charged with Governance for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the

Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- o Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- o Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(l) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- o Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- o Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- o Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books

- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Companies (Indian Accounting Standard) Rules, 2015.
- (e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company does not have any pending litigations which would impact its financial position.
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

**ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT**

(Referred to in paragraph 2(f) under Report on Other Legal and Regulatory Requirements section of our report to the members of Aagam Capital Limited of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of AAGAM CAPITAL LIMITED ("the Company") as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, to the best of our information and according to the explanation given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**1. Significant Accounting Policies****A. Basis of Preparations****i. Statement of Compliance**

These financial statements have been prepared in accordance with Indian Accounting standards (hereinafter referred to as the 'Ind AS') notified by the Ministry of Corporate Affairs under section 133 of the Companies Act, 2013 ('Act') read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and the relevant provisions of the Act.

Accordingly, the Company has prepared these Financial Statements which comprise the Balance Sheet as at 31 March, 2021, the Statement of Profit and Loss for the year ended 31 March 2021, the Statement of Cash Flows for the year ended 31 March 2021 and the Statement of Changes in Equity for the year ended as on that date, and accounting policies and other explanatory information (together hereinafter referred to as 'financial statements').

These Financial Statements were approved by the Board of Directors and authorised for issue on 30/06 2021.

The financial statements have been prepared on an accrual system, based on the principle of going concern and under the historical cost convention, unless otherwise stated.

The Financial Statements have been presented in Indian Rupees (INR), which is the Company's functional currency. All financial information presented in INR has been rounded off to the nearest rupee, unless otherwise stated.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

## **ii. Use of Estimates and Judgements**

The preparation of Financial Statements in conformity with Ind AS requires management to make certain judgments, estimates and assumptions which affects the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Actual results may differ from these estimates.

Continuous evaluation is done on the estimation and judgments based on historical experience and other factors, including expectations of future events that are believed to be reasonable. Revisions to accounting estimates are recognised in financial statements in the period in which the estimate is revised if the revision affects only that period or in the period of the revision & Future period if revision affect both current and future periods.

This note provides an overview of the areas where there is a higher degree of judgment or complexity. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation.

### **The areas involving critical estimates or judgements are**

- a. Impairment of Financial Assets such as Trade Receivable.
- b. Impairment of Non-Financial Assets.
- c. Estimates of Tax Expenses and Liability.
- d. Revenue recognitions.

Estimates and judgments are regularly revisited. Estimates are based on historical experience and other factors, including futuristic reasonable information that may have a financial impact on the company.

## **B. Revenue Recognition**

Revenue from contracts with customers is recognized on transfer of control of promised goods or services to a customer at an amount that reflects the consideration to which the Company is expected to be entitled to in exchange for those goods or services.

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract. This variable consideration is estimated based on the expected value of outflow. Revenue (net of variable consideration) is recognized only to the extent that it is highly probable that the amount will not be subject to significant reversal when uncertainty relating to its recognition is resolved.

- i. Revenue is measured at the fair value of the consideration received or receivable. The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefit will flow to the entity. The Company bases its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specific of each agreement.
- ii. Interest income is recognized on a time proportion basis taking into account the amount outstanding and the effective interest rate applicable.

## **C. Property, plant and equipment and depreciation**

### **i. Initial Recognition and Measurement**

Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of Property, plant and equipment.

Capital work-in-progress comprises cost of property, plant and equipment and related expenses that are not yet ready for their intended use at the reporting date. Advances given towards acquisition of property, plant and equipment outstanding at each balance sheet date are disclosed as Capital Advances under other non-current assets.

Gains or losses arising from derecognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

### **ii. Subsequent Cost**

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated

with the item will flow to the entity and the cost can be measured reliably. All other repairs and maintenance are charged to the Statement of Profit and Loss during the period in which they are incurred.

**iii. Depreciation / amortisation on property, plant and equipment**

Depreciation on all the assets have been provided at the rates and in the manner prescribed in Schedule II of the Act on Written Down Value Method. Depreciation on additions to assets or on sale / disposal of assets is calculated on the basis of Pro rata basis from date of such addition or up to the month of such sale / scrapped, as the case may be

The WDV of the assets have been reduced to 5% of the Cost during FY 2019-20, which is the estimated Scrap Value as per the Companies Act, 2013. Hence no depreciation is charged for FY 2020-21

**D. Financial Instruments**

Financial assets and financial liabilities are recognised when an entity becomes a party to the contractual provisions of the instrument. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Financial assets and financial liabilities are offset against each other and the net amount reported in the balance sheet if, and only if, there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, or to realize the assets and settle the liabilities simultaneously.

**i. Financial Assets**

The Company initially recognises loans and advances, deposits and debt securities purchased on the date on which they originate. Purchases and sale of financial assets are recognised on the trade date, which is the date on which the Company becomes a party to the contractual provisions of the instrument. All financial assets are recognised initially at fair value. In the case of financial assets not recorded at FVTPL, transaction costs that are directly attributable to its acquisition of financial assets are included therein.

**Financial assets are divided into the following categories:**

- a. financial assets carried at amortised cost

- b. financial assets at fair value through other comprehensive income
- c. financial assets at fair value through profit and loss?

Financial assets are assigned to the different categories by management on initial recognition, depending on the nature and purpose of the financial assets. The designation of financial assets is re-evaluated at every reporting date at which a choice of classification or accounting treatment is available.

Financial Assets like Investments in Subsidiaries are measured at Cost as allowed by Ind-AS 27 - Separate Financial Statements and hence are not fair valued.

**ii. Financial assets carried at amortised cost**

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cashflows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. These are non-derivative financial assets that are not quoted in an active market. Loans and receivables (including trade and other receivables, bank and cash balances) are measured subsequent to initial recognition at amortized cost using the effective interest method, less provision for impairment. Any change in their value through impairment or reversal of impairment is recognized in the Statement of profit and loss.

In accordance with Ind AS 109: Financial Instruments, the Company recognizes impairment loss allowance on trade receivables and content advances based on historically observed default rates. Impairment loss allowance recognized during the financial year is charged to Statement of profit and loss.

**iii. Financial assets at fair value through other comprehensive income**

Financial assets at fair value through other comprehensive income are non-derivative financial assets held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Fair value movements are recognized in the other comprehensive income (OCI). However, the Company recognizes interest income, impairment losses in the statement of profit and loss.

**iv. Financial assets at fair value through profit or loss**

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss. It includes non-derivative financial assets that are either designated as such or do not qualify for inclusion in any of the other categories of financial assets. Gains and losses arising from investments classified under this category is

recognized in the Statement of profit and loss when they are sold or when the investment is impaired.

**v. Impairment of Financial Assets**

In the case of impairment, any loss previously recognized in other comprehensive income is transferred to the Statement of profit and loss. Impairment losses recognized in the Statement of profit and loss on equity instruments are not reversed through the Statement of profit and loss. Impairment losses recognized previously on debt securities are reversed through the Statement of profit and loss when the increase can be related objectively to an event occurring after the impairment loss was recognized in the Statement of profit and loss.

When the Company considers that fair value of financial assets can be reliably measured, the fair values of financial instruments that are not traded in an active market are determined by using valuation techniques. The Company applies its judgment to select a variety of methods and make assumptions that are mainly based on market conditions existing at each balance sheet date. Equity instruments measured at fair value through profit or loss that do not have a quoted price in an active market and whose fair value cannot be reliably measured are measured at costless impairment at the end of each reporting period.

An assessment for impairment is undertaken at least at each balance sheet date.

**vi. Investment in Equity Instruments**

All investments in equity instruments classified under financial assets are initially measured at fair value. The Company has made an election to measure the same at fair value through other comprehensive income (FVOCI) on an instrument-by-instrument basis. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognised in OCI. Dividend income on the investments in equity instruments are recognised as 'other income' in the Statement of Profit and Loss.

**vii. Derecognition of Financial Assets**

A financial asset is derecognized only where the contractual rights to the cash flows from the asset expire or the financial asset is transferred and that transfer qualifies for derecognition. A financial asset is transferred if the contractual rights to receive the cash flows of the asset have been transferred or the Company retains the contractual rights to receive the cash flows of the asset but assumes a contractual obligation to pay the cash flows to one or more recipients. A financial asset that is transferred qualifies for derecognition if the Company transfers substantially all the risks and rewards of ownership of the asset, or if the Company neither retains nor transfers substantially all the risks and rewards of ownership but does transfer control of that asset.

**viii. Equity Instruments**

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

**ix. Financial Liabilities**

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition they are classified as financial liabilities at fair value through profit or loss.

**x. Subsequent measurement**

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

**xi. Derecognition**

A financial liability is derecognized only when the obligation is extinguished, that is, when the obligation is discharged or cancelled or expires. Changes in liabilities' fair value that are reported in profit or loss are included in the Statement of profit and loss within finance costs or finance income.

**E. Inventory**

Inventories are measured at the lower of cost and net realisable value after providing for obsolescence, if any. Cost of finished goods and work-in-progress include all costs of purchases, conversion costs and other costs incurred in bringing the inventories to their present location and condition. The net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and estimated costs necessary to make the sale.

**F. Impairment of Non-Financial Assets - Property, Plant& Equipment**

The Company assesses at each reporting dates as to whether there is any indication that any property, plant and equipment may be impaired. If any such indication exists the recoverable amount of an asset is estimated to determine the extent of impairment, if any.

An impairment loss is recognized in the Statement of the Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future

cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

#### **G. Borrowing Cost**

Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

The Company determines the amount of borrowing costs eligible for capitalisation as the actual borrowing costs incurred on that borrowing during the year less any interest income earned on temporary investment of specific borrowings pending their expenditure on qualifying assets, to the extent that an entity borrows funds specifically for the purpose of obtaining a qualifying asset. In case if the Company borrows generally and uses the funds for obtaining a qualifying asset, borrowing costs eligible for capitalisation are determined by applying a capitalisation rate to the expenditures on that asset. Borrowing cost includes exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the finance cost.

All other borrowing costs are charged to the Statement of Profit and Loss in the period in which they are incurred.

#### **H. Cash and Cash Equivalent**

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short term highly liquid investments which are readily convertible into known amounts of cash and are subject to insignificant risk of changes in value. Bank overdrafts are shown within borrowings in current liabilities on the balance sheet.

#### **I. Cash Flow Statement**

Cash flow are reported using Indirect method, where by net profit before tax is adjusted for the effects of transaction of non-cash nature any deferrals or accruals of past or future operating cash receipts or payments and items of income and expenses associates with investing or financing activity. The Cash flows from operating, financing and investing activity is shown separately.

#### **J. Provisions and contingencies**

Provisions are recognised when the Company has a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to

settle the obligation and a reliable estimate can be made of the amount of the obligation. The timing of recognition and quantification of the liability require the application of judgement to existing facts and circumstances, which can be subject to change. Since the cash outflows can take place many years in the future, the carrying amounts of provisions and liabilities are reviewed regularly and adjusted to take account of changing facts and circumstances.

Contingent liabilities are disclosed unless the possibility of outflow of resources is remote. Contingent assets are neither recognised nor disclosed in the Financial Statements.

## **K. Tax Expenses**

Taxation on profit and loss comprises current tax and deferred tax. Tax is recognized in the Statement of profit and loss except to the extent that it relates to items recognized directly in equity or other comprehensive income in which case tax impact is also recognized in equity or other comprehensive income.

Current tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted at the balance sheet date along with any adjustment relating to tax payable in previous years.

Deferred income tax is provided in full, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the Financial Statements. Deferred income tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted at the balance sheet date and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.

Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax against which the MAT paid will be adjusted.

## **L. Earnings Per Share**

Basic earnings per share is computed by dividing the net profit for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

**M. Employee Benefits**

i) Short term employee benefits:

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

ii) The Company is exempted from Payment of Gratuity Act, 1972 in view of its strength of employees being less than threshold limit attracting the applicability of the said statute and as such no provision has been made for the said liability. Leave encashment is not provided on actuarial basis in view of employees being less than 10 and same is charged on actual basis.

The carrying amounts of Investments, Cash and Cash equivalents, Loans, Other Financial Assets and Borrowings(Other than Debt Securities) are considered to be approximately equal to the fair value.

**I. Fair value hierarchy**

"The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and, (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into the three levels prescribed under the Indian accounting standard. An explanation of each level is as follows :"

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. For example, listed equity instruments that have quoted market price.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

**II. Valuation techniques used to determine fair value**

"Significant valuation techniques used to value financial instruments include: • the fair value of forward foreign exchange contracts is determined using forward exchange rates at the balance sheet date."

- o Use of quoted market price or dealer quotes for similar instruments
- o Using discounted cash flow analysis.

The fair values computed above for assets measured at amortised cost are based on discounted cash flows using a current borrowing rate. They are classified as level 2 fair values in the fair value hierarchy due to the use of unobservable inputs.

**22 Financial Risk Management**

The Company has exposure to the following risks arising from financial instruments:

- Credit risk ;
- Liquidity risk ; and
- Market risk

**A. Credit risk**

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The company is exposed to credit risk from its operating activities (primarily for trade receivables and loans) and from its financing activities (deposits with banks and other financial instruments).

**Credit risk management**

Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The Company establishes an allowance for doubtful debts and impairment that represents its estimate of incurred losses in respect of trade and other receivables and investments.

The Company's maximum exposure to credit risk as at 31st March, 2021 and 2020 is the carrying value of each class of financial assets.

**i) Cash and Cash Equivalents**

The Company held cash and bank balance with credit worthy banks of Rs 16495.25 at March 31, 2021 (March 31, 2020: Rs 50,435). The credit risk on cash and cash equivalents is limited as the Company generally invests in deposits with banks where credit risk is largely perceived to be extremely insignificant.

**B. Liquidity risk**

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. For the Company, liquidity risk arises from obligations on account of financial liabilities – trade payables.

**Liquidity risk management**

"The Company's approach to managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, management considers both normal and stressed conditions. A material and sustained shortfall in our cash flow could undermine the Company's credit rating and impair investor confidence. The Company maintained a cautious funding strategy, with a positive cash balance throughout the year ended 31st March, 2021 and 31st March, 2020. This was the result of cash delivery from the business. Cash flow from operating activities provides the funds to service the financing of financial liabilities on a day-to-day basis. The Company's treasury department regularly monitors the rolling forecasts to ensure it has sufficient cash on-going basis to meet operational needs. Any short term surplus cash generated by the operating entities, over and above the amount required for working capital management and other operational requirements, are retained as cash and cash equivalents (to the extent required)."

**C. Market risk**

Market risk is the risk that changes in market prices such as foreign exchange rates, interest rates and equity prices will affect the Company's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments. The Company is exposed to market risk primarily related to interest rate risk and the market value of the investments.

**i) Currency Risk**

The functional currency of the Company is Indian Rupee. Currency risk is not material, as the Company does not have any exposure in foreign currency.

**ii) Interest Rate Risk**

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates.

**Exposure to interest rate risk**

According to the Company interest rate risk exposure is only for floating rate borrowings. Company does not have any floating rate borrowings on any of the Balance Sheet date disclosed in this financial statements.

**iii) Price Risk**

Price risk is the risk that the fair value of a financial instrument will fluctuate due to changes in market traded price. It arises from financial assets such as investments in quoted instruments.

**a Fair value sensitivity analysis for fixed rate Instruments**

The Company does not account for any fixed rate financial assets or financial liabilities at fair value through Profit or Loss. Therefore, a change in interest rates at the reporting date would not affect Profit or Loss.

**b Cash flow sensitivity analysis for variable rate Instruments**

The company does not have any variable rate instrument in Financial Assets or Financial Liabilities.

**23 Capital Management**

"The Company's objectives when managing capital are to • safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and • maintain an optimal capital structure to reduce the cost of capital. The capital structure of the Company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-today needs. We consider the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets. The management monitors the return on capital as well as the level of dividends to shareholders. The Company will take appropriate steps in order to maintain, or if necessary adjust, its capital structure."
